

Aluminium Goal

Assembly Instructions

An easy-to-assemble mini goal that's lightweight, durable, and perfect for training sessions or backyard play.

2

No tools required

Open the goal frame.

Open both base sections upwards and connect them together.

Place the goal upright on its base.

Unfold the net and place it over the mini goal. Attach the Velcro to the posts.

Turn the goal onto its side. Attach the velcro to the base.

Your goal is ready to use!
